MERCEDES-BENZ 300 SL

The internal type designation of the Mercedes-Benz 300 SL sports car is W 198.

Between 1954 and 1957 the Mercedes-Benz 300 SL was offered as a coupé with hinged doors, and between 1957 and 1963 as a roadstar. The Mercedes-Benz 300 SL Gullwing door is

a popular collector's item with an enormous increase in value.

Mileage	0 km (after restauration)
0-100 km/h	9,3 s
Vmax	220 km/h / 136 mph

PRICE

Sale price ex works	
Bottrop §25a VAT is not reclaimable	1.890.000,00 EUR

NOTICES

* All listed performance figures are approximate values. They depend on vehicle-specific details such as the vehicle type, equipment, tare weight, rear-axle ratio, wheel-tyre combinations, transmission type and aerodynamic equipment of the specific car. Figures about performance increases and/or performance kits are to be understood as average values. Test-dependent divergences of +/- 5% are possible. Figures about the overall performance of changed factory engines through performance increases and/or performance kits are based on the manufacturer's data listed in the vehicle registration document. They can vary by +/- 5%. BRABUS does not warrant any further reduced performance of factory engines. Specifications are subject to change without prior notice. These values were determined using the prescribed measurement procedure (directive 80/1268/EEC in its currently valid version). The details are not based on a single vehicle, and do not form a component of the offer, but serve only for purposes of comparison between different vehicle types.

** All prices are quoted ex works.

EFFICIENCY & FUEL ECONOMY

Fuel Economy*
city - l/100km
highway - l/100km
combined - l/100km
CO ₂ - g/km

CO₂-EFFICIENCY*

* Determined based on the measured CO2 emissions in consideration of the vehicle mass.
