THE CORE OF BRABUS MARINE

As one of the world's most iconic boat brands specializing in luxury products for markets around the world, BRABUS Marine focuses on several key principles:

PERFORMANCE – All of our boats are characterized by superior performance courtesy of the latest high-tech engine technology. Through an unwavering commitment to perfection and a pursuit to redefine the superlative, the BRABUS Shadow range offers exceptional in-class power, an unparalleled driving experience and endless “go-anywhere” capabilities.

LUXURY – Our dual-personality design ensures that our performance figures do not come at the expense of on-board luxury. We guarantee sophisticated comfort as well as exclusivity on and below deck designed for a selected group of boat owners who wish to enjoy only the very best boating experience.

FUNCTIONALITY – Beyond the right looks and performance, BRABUS Marine as a brand stands for accessibility, comfortable handling and unmatched drivability. Through a 100 % tech driven development approach, we combine functionality with ease of movement.

SHADOW 45 RANGE

THE BRABUS SHADOW 45 RANGE

More power, more 1-Second-Wow, more BRABUS than ever before. The BRABUS Shadow 45 range is the boldest BRABUS statement on the water and, at 45 feet in length, represents the largest Shadow range in BRABUS Marine history. Combining unparalleled power and performance, with incredibly luxurious ambience and innovative comfort. Equipped with either the triple Mercury Verado 425 V10 outboard engine setup for the Shadow 1300 or triple supercharged 500 hp Mercury Racing V8 engines for the Shadow 1500. This Shadow is a true powerhouse and high performer.

The Signature Edition is as BRABUS as it gets. With brabusized design cues including a dark, unmistakable BRABUS Marine paint job, BRABUS upholstery color choices as well as Signature Style graphics that run across the entire exterior design concept and are accompanied by sleek hull badges in black chrome.

THE BRABUS SHADOW 45 RANGE
BLACK OPS SIGNATURE EDITION

The BRABUS Shadow 1500 & 1300 are unlike any other superboats of their size and are a perfect match for those who want to renounce compromises and make a statement. They are available as Sun Top, Cross Top, or fully enclosed XC Cross Cabin models.

CROSS TOP BLACK OPS SIGNATURE EDITION, AFT BENCH

BRABUS SHADOW 1500 & 1300 XC CROSS CABIN

This highly exclusive, new 45-foot premium range knows how to deliver an unprecedented BRABUS experience on the water through its dimensions, power, and abundance of comfort, style, and onboard usability. The XC Cross Cabin is a fully enclosed cabin model — a true Grand Tourer of the ocean—which has absolutely everything and more, bringing next-level usability and versatility to the luxury boat segment. It effortlessly eats up miles while offering all-weather comfort and innovative social spaces for unlimited adventures at sea.

The BRABUS Shadow 1500 and 1300 are unlike any other powerboats in their class and are the perfect match for those who refuse to compromise and want to make a statement. They bring together premium levels of onboard usability with unparalleled versatility. With just a simple touch, watch the boat transform seamlessly from an enclosed, all-weather cabin boat into a fully open boat, perfected to deliver premium daytime and overnight boating experiences with nothing less than the highest level of BRABUS luxury, craftsmanship, and attention to detail.

Truly impressive aboard this premium luxury cabin cruiser are its five massive social spaces: the foredeck, helm, cockpit with folding balcony doors, aft deck, and front lounge with gullwing doors. Next-level functionality meets style and comfort with the innovative, BRABUSIZED balcony doors. Simply fold down the spacious hull-side doors to extend the amidships social and relaxation area even further.

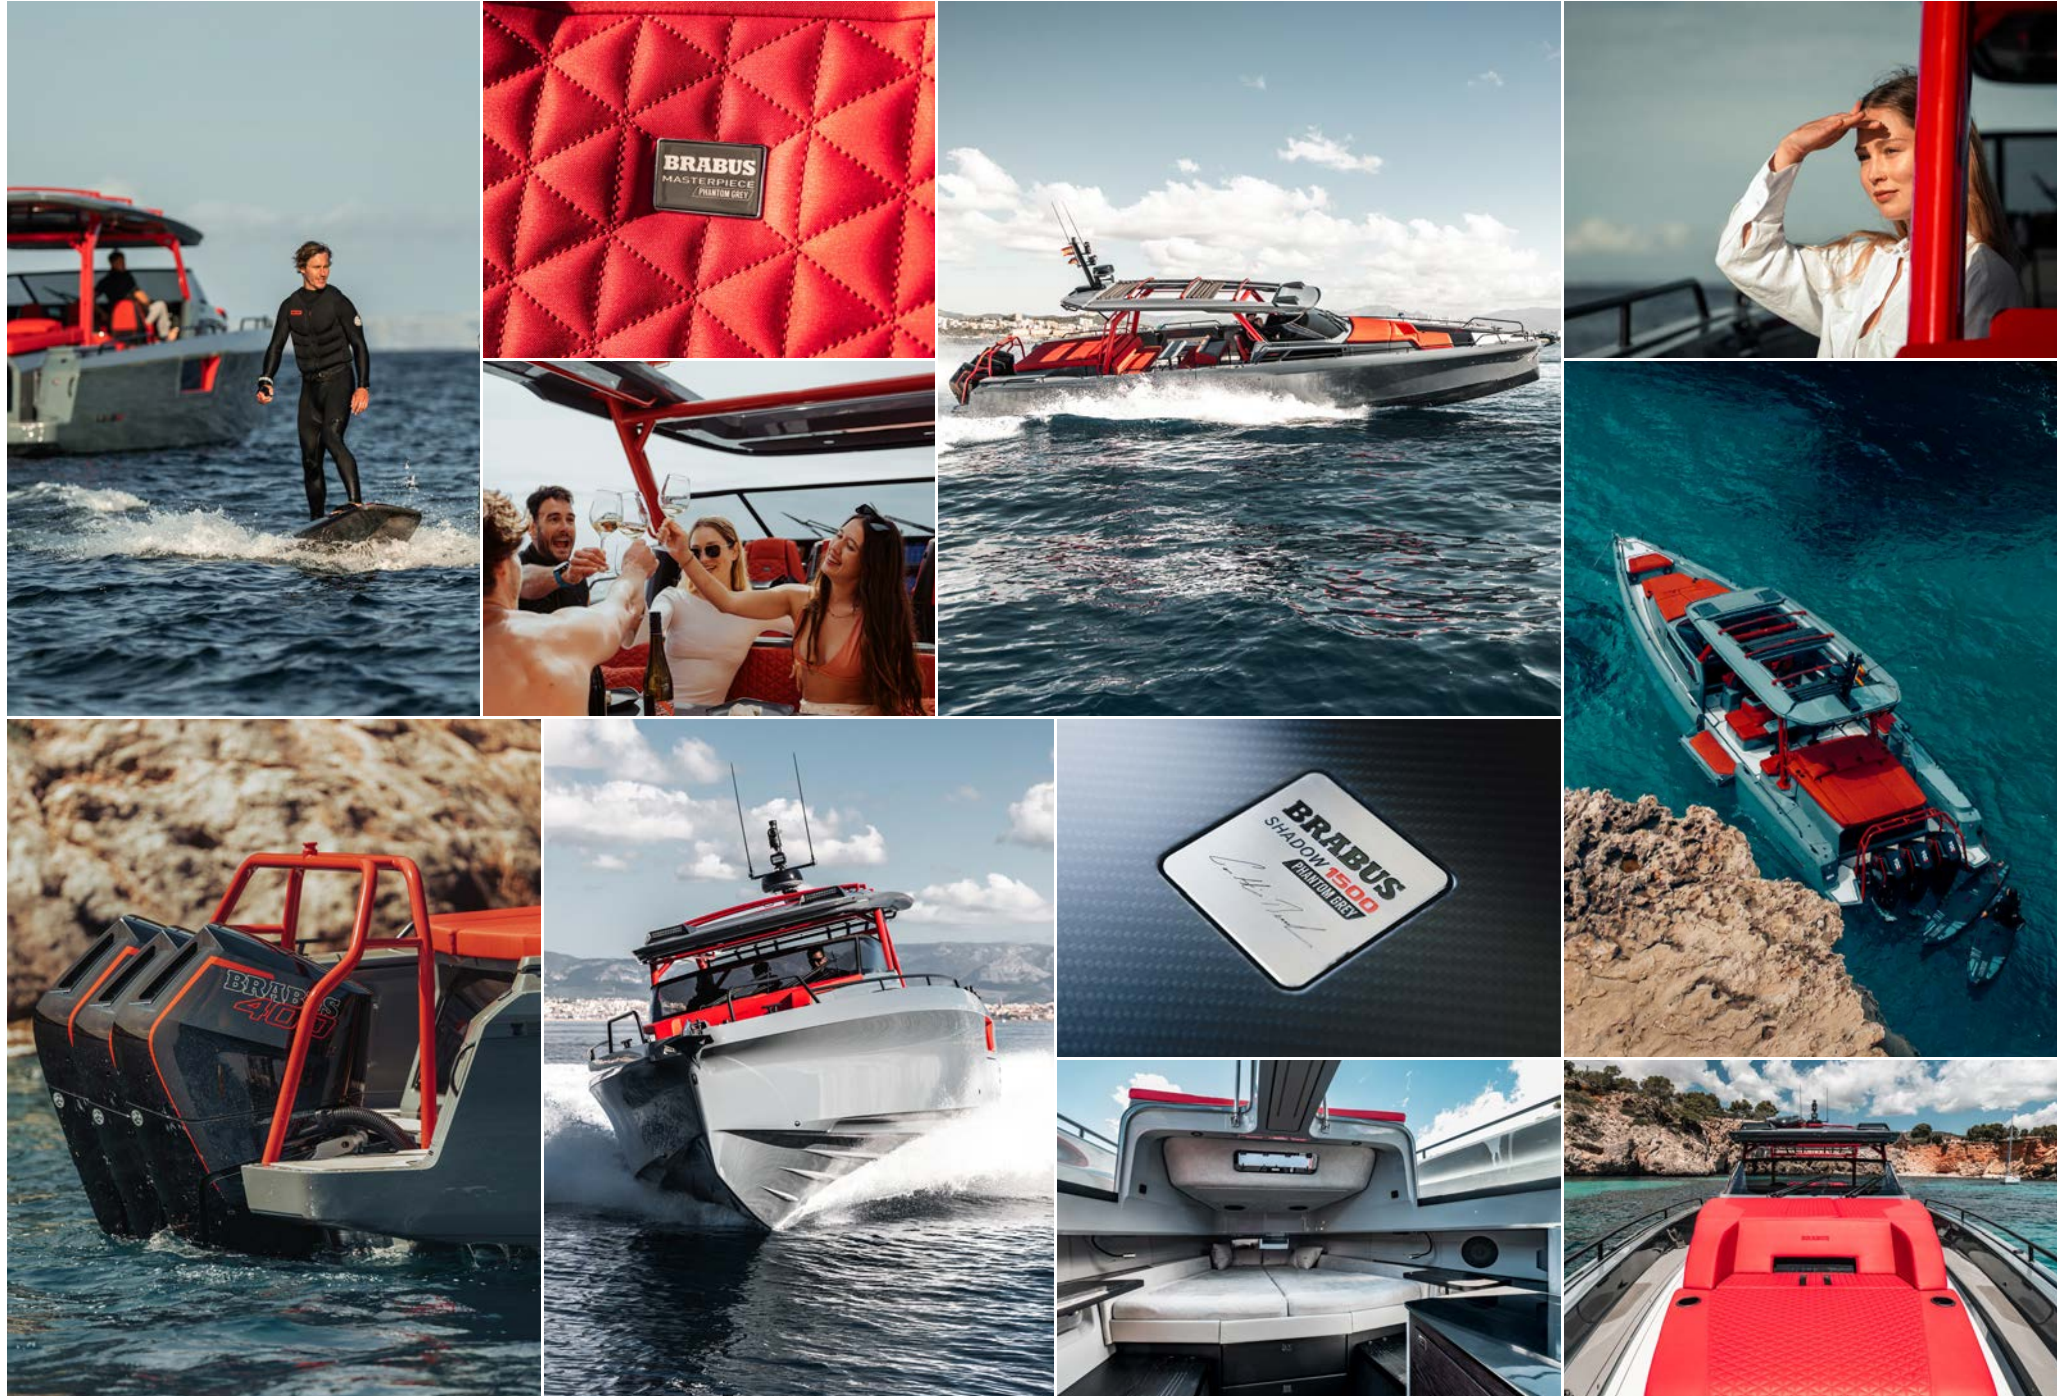

This truly is the most capable BRABUS Shadow ever built, reaching entirely new heights of confident performance with the combined power of triple 425 hp Mercury Verado V10 engines, enabling top speeds of up to 55 knots, or triple supercharged 500 hp Mercury Racing V8 engines, enabling top speeds of up to 60 knots — performance unmatched in the 45-foot class.

At the helm, you harness this mesmerizing power in a clean, functional, uncluttered cockpit that is packed with the best in marine technology — from the Intelligent Steering Module that controls the bow thruster, trim tabs, and audio — to the innovative Simrad navigational touchscreen displays. The driving experience is further enhanced with Mercury's JPO (Joystick Piloting for Outboards) joystick steering, including Skyhook and Mercury autopilot features.

PHANTOM GRAY

THE BRABUS SHADOW 45 RANGE PHANTOM GRAY SIGNATURE EDITION

Extreme. Epic. Legendary – The BRABUS Shadow 1500 & 1300 Sun Top Phantom Gray Signature Editions know how to deliver next-level marine elegance and a 100% brabusized blast of fun. A perfect match for those who want to renounce compromises and make an undeniable statement.

The Phantom Gray Signature Edition look is inspired by the BRABUS Crawler and boasts a dark, unmistakable Phantom Gray paint job with upholstery colors in BRABUS Red as well as a bespoke outfitting package featuring BRABUS Red roof racks, waterski frames and roof pillars. This special edition is hand-built with a focus on precision and finish. The process of fairing, painting, and polishing alone takes up to six weeks due to non-automated, thorough, and highly labor-intensive processes.

Indulge in the finest craftsmanship: from carbon fiber accents to bespoke leather upholstery, every element is crafted to perfection. With the BRABUS Sign of Excellence as your guarantee, rest assured that every journey aboard this vessel is an experience like no other.

THE BRABUS SHADOW 45 RANGE
PHANTOM GRAY SIGNATURE EDITION

The BRABUS Shadow 1500 & 1300 Phantom Gray Signature Editions promise to transform every moment on the water into an unforgettable journey. Available as fully enclosed XC Cross Cabin or open Cross Top and Sun Top version.

BRABUS SHADOW 1500 & 1300 SUN TOP

The BRABUS Shadow Sun Top model combines confident performance with an incredibly luxurious ambience, bringing maximum usability and versatility to the luxury boat segment. With breathtaking 1,275 to 1,500 horsepower, a range of technical innovations, brand-new signature styling and the best in onboard usability, this Shadow seamlessly fuses the thrills of open-air boating with the highest levels of BRABUS Masterpiece luxury and sheltered comfort.

Luxury and bespoke engineering beyond compare. Head out and relax until the late evening hours or even stay overnight on board this luxurious cruiser. The spacious and innovative layout lets you and your guests seamlessly move around the boat and makes the day out at sea fun and relaxing, especially with a larger group of people.

The truly impressive features on board this premium explorer are the massive social spaces: the foredeck and front lounge with gullwing doors, the helm and cockpit area with ample seating around a centered wet bar, foldable balcony doors, and various optional aft deck layouts to choose from.

From exhilarating speeds to unparalleled maneuverability, every aspect of this vessel is engineered to perfection. Equipped with either a triple Mercury Verado 425 V10 outboard engine setup for the Shadow 1300 or triple supercharged 500 hp Mercury Racing V8 engines for the Shadow 1500, this truly is the most powerful and confident of all BRABUS Shadows, effortlessly flying across the water at a comfortable cruising speed of 40 knots and top speeds of up to 55 knots and 60 knots, unmatched in the 45-foot size range.
